

OUR 2023 COMMUNITY IMPACT IN Central Kentucky

The Lifepoint Health network of hospitals in Central Kentucky is committed to *making communities healthier*® by expanding services and adding new specialties to the greater Lexington area. Our teams provide critical services close to home and are recognized quality leaders through the National Quality Program. Working together as an integrated network, this group of hospitals is dedicated to delivering high-quality care with compassion, integrity, outstanding service and innovative technology.

Each Lifepoint facility in the Central Kentucky hospital network produces an annual Community Benefit Report, showing the broad scope of its contributions to the community it serves. Below is a summary of the collective impact of our hospitals in Central Kentucky.
